

CAVENDISH ROAD

State High School

P&C Association

Dear Parents, Caregivers and Students,

On behalf of the P&C Association, **welcome to families returning for 2017 and a special welcome to our new families and year 7 students** joining Cavendish Road State High School (Cav Rd) for the new school year.

Being a member of the P&C committee, allows parents and carers a very special window into your child's life at school. Sub committees of the P&C include, Special Education Department & Cavendish Road Instrumental Musical group.

The P&C meets at the school in B7 (near the office) every third Tuesday of the month at 7.00pm. We welcome everyone and look forward to new ideas and feedback that will enhance our dynamic group.

As a volunteer I value the time parents give to the school. I value your time and commitment and thank you for considering being a part of the team. If I can be of any assistance please contact me through the school.

I wish you all the best for 2017

Melinda Groves
President
Cavendish Road SHS P&C Association

Voluntary Contribution Scheme 2017

Cavendish Road State High School P&C Building Fund:

The P&C works with the school to set priorities and provide funding for a range of projects. These improvements will benefit not only the students of the school but also members of the wider community who utilise our facilities. ***Gifts to the Building Fund of \$2.00 or more are tax deductible.*** Help us work towards building a great school.

P&C General Fund:

There is little fundraising conducted by the P&C at Cavendish Road State High School. To assist with requests from the school community the P&C invites families to contribute ***\$50.00 annually.***
