Does the school have a sibling policy?

- Applicants must meet the definition of sibling in the School EMP procedure;
- enrolled sibling must not have been enrolled in a Program of Excellence at the school (i.e. siblings of POE students are not automatically entitled to enrol); and
- intended enrolment commencement and/or attendance of the sibling must be concurrent with the attendance of current student for the application to be valid. For example, if the applicant will be commencing in 2016, but the current enrolled sibling finishes school in 2015, then the application will not be valid.
